**Feminists Choosing Life**  
of New York

*The National Organization of Women (NOW) of New York is sponsoring their Annual meeting in Seneca Falls, also on November 8th. Let's show our support for our anti-abortion feminist foremothers and their commitment to Equal Rights for All Women and Children, including the Unborn.*

*Firmly relying upon the final triumph of the Right and the True,  
we do this day affix our signatures to this declaration.
